Announcements

Upcoming fellowship meal. On Sabbath, March 11, we will enjoy a fellowship meal together in our church basement. Please plan to bring enough food for at least 10 people (or 5 people if you are coming on your own) so we have plenty to go around. **NOTE:** We are now having two fellowship meals a month, on the 2nd and 4th Sabbaths.

HVCS mystery dinner. On March 11 at 6:30PM, there will be a mystery dinner at Highland View Christian School to fundraise for the upcoming 8th grade class trip. Details are on the flyer in the foyer.

Church/church school constituency meeting. On Wednesday, March 15 at 6:00PM, we will have a church-wide meeting at the church for both the church and our church school (Highland View Christian School). All members and those transferring in are invited and strongly encouraged to attend this important meeting!

Volunteers needed. We are in need of volunteers to help with reorganizing the primary/juniors Sabbath School room and the Pathfinder storage room in the basement. If you have new ideas for these rooms, we’d love to hear them! If this is something you are interested in doing, please contact a church elder or Pastor Ney!

Bible study program. The Bible study guide program we started last year is still going! If you started and stopped, consider continuing on! If you haven’t started yet, now is a great time; you can contact an elder to get your first guide or two. **NOTE:** Pastor Ney is currently on study #21—see if you can keep up with him!

Church directory. We are working on an updated church directory and need contact info from everyone. If you haven’t provided info yet, please call or text Emily Khut at 509-240-0048.

Pastor's Thought for the Sabbath

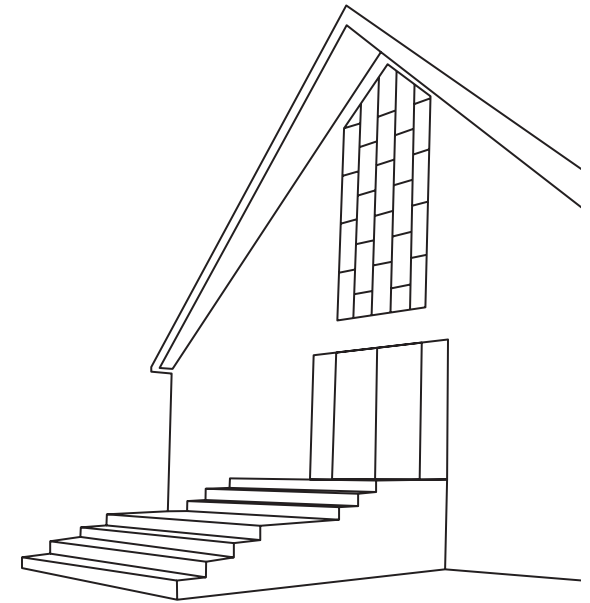

Last weekend, I had the privilege of attending a training session at SonBridge Center for Better Living in Walla Walla. The training focused on spiritual and emotional care—assisting individuals when facing a crisis. It was such an enriching experience because we didn't just learn from a professional presenter, but we also learned from professional attendees whose careers are in this field. They shared their opinions from their experiences.

The bottom line of the training, as I observed, was to provide a service to the community and restore hope to the hopeless. The class material stated that approximately 90% of the U.S population will be exposed to one or more traumatic events during their lifetime. That is really high and we should not ignore this.

What does this have to do with our church? The mission of Jesus was very clear that He came to serve, not to be served. Matthew 20:28 says, "For even the Son of Man came not to be served, but to serve others, and to give His life as a ransom for many."

Jesus came to serve the community and to provide for the needs of the community. And I believe that the reason our church exists is to put our local community first. We want to make sure that we meet the needs of our local community.

Let's set our hearts and join our hands to be ready to serve the needs of our local church and community!
